## SDG10: REDUCED INEQUALITIES

Sustainable Development Goal 10 (SDG 10) aims to reduce inequalities within and among countries, focusing on marginalized and vulnerable populations. In Saudi Arabia, addressing inequalities faced by people with disabilities is of utmost importance to create an inclusive and equitable society. Qassim University recognizes the significance of SDG 10 and has implemented measures to promote access, learning, and facilities for individuals with disabilities.

### Accessible Learning Environments:

Qassim University's commitment to SDG 10 is reflected in its efforts to create accessible learning environments. The university ensures that its campuses and facilities are designed to accommodate individuals with disabilities, providing ramps, elevators, and other features that facilitate mobility and accessibility.

### Inclusive Curriculum and Teaching:

The university integrates an inclusive approach into its curriculum and teaching methods. Qassim University's faculty members are trained to cater to diverse learning needs, ensuring that students with disabilities receive the necessary support and resources to succeed academically.

### Support Services for Students with Disabilities:

Qassim University provides a range of support services for students with disabilities. These services include specialized learning resources, assistive technologies, counseling, and academic accommodations. The university aims to create an environment where all students can thrive and participate fully in their educational journey.

### Collaboration with Disability Organizations:

The university collaborates with disability organizations and advocacy groups to gain insights into best practices and challenges related to inclusivity. These partnerships facilitate knowledge exchange and the implementation of strategies that promote equal access and opportunities for individuals with disabilities.

### Awareness Campaigns and Sensitization:

Qassim University raises awareness about the rights and needs of individuals with disabilities through awareness campaigns, seminars, and workshops. The university promotes an inclusive mindset among students, faculty, and staff, fostering an environment of respect and understanding.

### Disability-Inclusive Research Initiatives:

The university's research efforts extend to disability-inclusive projects. Qassim University's research contributes to understanding the challenges faced by individuals with disabilities and developing solutions that enhance their quality of life and participation in society.

### Accessible Facilities and Services:

Qassim University ensures that its facilities, including libraries, laboratories, and recreational areas, are accessible to individuals with disabilities. The university prioritizes the creation of an inclusive environment that caters to diverse needs.

### Promotion of Disability Rights:

The university advocates for disability rights and social inclusion within its community and beyond. Qassim University contributes to discussions on policy development, awareness, and advocacy efforts aimed at reducing inequalities and promoting equal opportunities.

### Empowerment and Skill Development:

Qassim University aims to empower individuals with disabilities by offering skill development programs, workshops, and vocational training. These initiatives equip individuals with the skills they need to contribute to the workforce and society at large.

Qassim University's commitment to SDG 10 is evident through its comprehensive efforts to foster inclusivity and reduce inequalities for individuals with disabilities. By providing accessible learning environments, inclusive curriculum, support services, collaborating with disability organizations, raising awareness, conducting research, and promoting disability rights, the university actively contributes to creating a more equitable and inclusive society in Saudi Arabia. Through its dedication, Qassim University plays a significant role in advancing SDG 10 and ensuring that individuals with disabilities have equal access to education, opportunities, and facilities.

## 10.6 Measures against discrimination

Students, staff and employees have the right to be free from discrimination based on protected attributes. The protected attributes under the Fair Work Act are: race, colour, sex, sexual orientation, age, physical or mental disability, marital status, family or carer's responsibilities, pregnancy, religion, political opinion, national extraction or social origin. Qassim University aligned with Saudi Arab laws to fight discrimination in all its types.

### 10.6.1 Does your university as a body have an admissions policy which is non-discriminatory or which details and explains the logic for any appropriate positive discrimination policies in admissions, which is publicly posted?

The Department of Guidance and Counseling is keen to assist the student with its educational, educational, material and social benefits, in coordination with the Student Funding Department. As some students have social and physical conditions that may cause them to be left behind or absent from school. Therefore, the administration was keen to **provide financial assistance after conducting a personal interview for the student or needy student and determine the amount of the subsidy and raise it to the student funding department for approval.**

**By examining the conditions of some of the stuttered students and studying their academic, social and psychological situations, which may have a significant impact on the student's academic stumbling. The Department of Guidance and Counseling has developed a program to study student cases. It prepared a form with the names of many disabilities, which is filled out by the social worker. It also set a timetable to be followed up by the specialist in which the student will execute according to his instructions.**
